

Chelby Sallady

Software Engineer

Austin, TX 78747 | (206) 247-2672 | chelby.sallady@gmail.com

EXPERIENCE

Elevance Health, Remote USA — Software Engineer II

JUNE 2022 - PRESENT

Built and maintained user-friendly, responsive web interfaces using React.js. Designed and devised new structures and endpoints for the existing PostgreSQL database. Assisted in performance testing for the application. Troubleshoot and debugged issues, employing best practices to maintain code quality. Implemented RESTful APIs and GraphQL endpoints for efficient data retrieval. Collaborated with UI/UX designers to create visually appealing and intuitive user experiences. Ensured data integrity and security by implementing authentication and authorization mechanisms in GraphQL endpoints.

Overnight Printing, Seattle WA — Lead Graphic Designer

JUNE 2021- JUNE 2022

Designed and conceptualized marketing materials for local elections and events. Printed and maintained quality materials and products for clients. Customized and recreated print materials for clients using Adobe Creative Suite. Increased company productivity by 50%. Negotiated invoices for clients that aligned with company revenue goals. Troubleshoot issues with files and softwares such as Adobe Illustrator and Adobe Indesign.

Idea Lab Kids, Odenton MD — Instructor

SEPTEMBER 2020 - JUNE 2021

Taught children ages 5 to 12 with different levels and abilities. Created curriculum based on art and science. Communicated and coordinated between different classes, teachers, and students. Adapted different teaching styles to different children.
